

Collection Bins

Reduce waste cost and achieve better environmental outcomes!

By simply diverting recyclable materials away from your general waste bin, APR can assist you to minimise waste costs over time and reduce the volume of waste your business sends to landfill.

APR provides a range of specialist collection bins for business's to use and ensures a safer working area. These clearly marked bins assist in maintaining enhanced recycling practices and are easy to identify and use.

Our range of collection bins are designed to collect:

- Cardboard
- Office Paper
- Mixed Paper
- Plastic Film
